## Shariah-Compliance Certificate

### *BRICKLANE INVESTMENT SERVICES LTD – REITS*

After conducting an extensive study and analysis of the financial statements provided to us by the directors of BRICKLANE INVESTMENT SERVICES LTD relating to their two REITS portfolios: The first is Bricklane Residential REIT plc and its subsidiaries; and the second is Bricklane London REIT plc and its subsidiary, and after various communications with the directors, our Shariah Committee hereby confirms that both the groups' consolidated accounts do meet the Shariah screening criteria for investment. Our shariah audit indicates that the group has acquired more properties during the year 2020, which is reflected in the group provisional year end accounts. We are satisfied that these investments have not affected the shariah compliance of the portfolios of the group.

Our certification is based primarily on the internationally recognised Shariah Standards set by recognised standards setting bodies. The directors of the group accept to submit the REITS portfolios to regular Shariah controls during the year and to a Shariah Review in one year's time.

This certificate is valid from 02 September 2020 to 01 September 2021 and remains valid subject to the control of approved documents and products.

Done in Leicester, 01<sup>th</sup> September 2020.
